 AT
 WALKER'S
 New Coal Repository,
Bell-Wharf, near
 JOINERS-HALL,
Dowgate, Upper Thames-Street.

A Real Advantage of 3 Shillings per CHALDRON,
 is saved by the PURCHASERS of COALS,
(For Ready Money) as above

With a Certainty of being faithfully Supply'd with Round
 Coal, of the very best quality, Measured under the Inspection
 of the *Lord Mayor's Sworn Meters.*

*Orders by the Penny-post, &c. punctually attended to and executed
 with Dispatch.*

* * * One SACK extra in every Chaldron,

☞ Mr. WALKER returns his most grateful thanks to the feve-
 ral Nobility, Gentry, &c. who are the kind Promoters and En-
 couragers of his new Plan, for reducing the extortioned price of so
 necessary an Article, in opposition to Combinators, forming to
 render this useful Commodity, dear and expensive to the Public.

Large Scotch Coal upon the most reasonable Terms, 1775.
